Items indicated with an asterisk (*) are required and must be filled in before a number can be provided.

It is the policy of LRF to record the operational addresses of registered owners. The operational address can be the address of a head office or a branch office, or a care-of address for the manager or company which has been issued with a DOC and managing the ship for which communication details are provided.

LRF only records the Registered Address of Registered Owners when this information is received directly from Administrations in the XML schema described in section 2 of annex 4.

The country of registration of the registered owner is also recorded.

For office use only:

IMO Registered Owner No.
